To cultivate a new generation of skilled IT professionals to address the strong manpower demand across diverse industries, VTC has established the Hong Kong Institute of Information Technology (HKIIT) to offer a comprehensive range of IT and relevant technology programmes for contributing to the development of a vibrant and thriving IT sector.

The IT and related technology programmes currently offered by IVE will be offered by HKIIT starting from AY2024/25.

- ✓ Provide pre-employment VPET programmes, e.g. Higher Diploma and Diploma of Foundation Studies
- ✓ Closely collaborate with industry partners and renowned companies to provide internship and employment opportunities

- Being a distinguished and reputable provider of IT education
- Nurturing IT talents
- Industry-institution collaboration for programmes to stay up-to-date
- In-service training service "SkillsUP"
- Supporting Government's policy on innovation and technology and digital transformation

Career Prospect for IT Professionals

- Full support from Government Policy
- Strong demand for IT professionals across all industries in Hong Kong

- Digital 21 Strategy
- Digital Transformation
- Hong Kong Innovation and Technology Development Blueprint

Talent List Hong Kong
HKSAR Government
Innovation and
Technology

- Artificial intelligence (AI) specialists
- Cloud infrastructure specialists
- Software Specialists
- Innovation and technology (I&T) Experts
- Data scientists
- Cyber security specialists
