This slide illustrates the 'Seamless Articulation Pathway to Professions'. It features a young man and woman standing together, with the man holding a laptop. To their left, the text 'DSE Results <22222' is displayed. A large blue arrow points from this text towards a green box on the right labeled 'Diploma'. The VTC logo is in the top right corner. The background is light blue with several colorful geometric shapes (cubes) scattered around.

In search of direction?

When alternative comes to your door:

1 Aspiring to be a professional

Develop your talents and learn the required skills, which will help build professional networks and increasing employment opportunities.

2 Exploring development goals

Try a learning method that is through direct application. With development opportunities, it could assist you in finding your own path and life goals.

3 Looking for learning modes other than traditional education

Try other learning methods and approaches, such as applied courses that are relevant to work, and practicing in sync with classroom learning.

4 Hoping to switch career path

While shouldering economic or family responsibilities, choosing low-cost training opportunities facilitates a smooth transition to a new career path.

Success can be achieved through various paths

There's no right or wrong, only whether it's suitable or not

Follow your own path and become a professional

\$30,800 max.

48

Sharing by the Apprentices

During the apprenticeship training, I gained...

With a **guaranteed income** and the **tuition fee paid by the employer**, I can focus on learning and my career development.

I've **found my interests and skills**. Now my development direction is clear, reigniting my hope and confidence.

After applying what I've learnt in **practical situations**, I find it **easier to comprehend** the theoretical knowledge from the books.

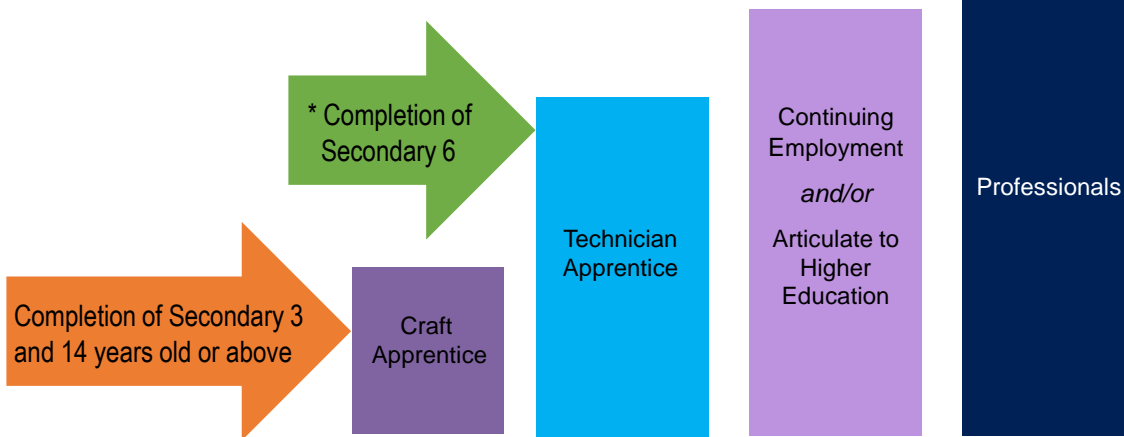

VTC matched me with a suitable job and employer, serving as a bridge for me to enter the industry.

Although we graduated at the same time, I already have **more full-time work experience**.

With the guidance and companionship of my mentors, I **swiftly adapted to the work environment** and quickly became proficient in my role!

49

Articulation Pathways

* Applicants must meet the general entry requirements of the relevant part-time Diploma of Foundation Studies or Higher Diploma programme.
 Applicants who have already met the entry requirements of the Higher Diploma may directly enroll in the relevant Higher Diploma programme
